OHS Cafeteria 5:00 - 8:00pm

\$45 per person – sign up through EventBrite

<https://www.eventbrite.com/e/cpr-training-tickets-60300955782>

Heartsaver CPR AED is a video-based, instructor-led course that teaches adult and child CPR and AED use, infant CPR, and how to relieve choking in adults, children, and infants. This course teaches skills with the AHA's research-proven practice-while-watching technique, which allows instructors to observe the students, provide feedback, and guide the students' learning of skills. This course is for anyone with limited or no medical training, ages 12 and up.

There is a maximum number of participants – please enroll ASAP to reserve your spot. We will maintain a waitlist, and will offer an additional date if needed.
