

SCHOOL COMMITTEE

2018-2019 COMMUNITY SERVICE AWARDS

Effective with the 2018/2019 school year, the School Committee will recognize four (4) community members per year for their volunteer service and/or contributions to the community. The School Committee members will nominate, vote on, and recognize individuals at posted School Committee meetings during the year. The criteria for nominating an individual is as follows:

- an individual who makes significant voluntary contributions to building a sense of unity and purpose in the community;
- assists others in improving the community through volunteer programs, social groups, outreach centers, sports programs, or after school groups;
- demonstrates positive values and behaviors that influence others to emulate; and
- influences or stimulates others to effect positive changes through personal development or self-improvement.

Anyone who wishes to suggest an individual for nomination should email any one of the School Committee members with the individual's name along with a brief description of what they have done in the community and why you believe they are deserving of this recognition.
