

To Whom It May Concern:

The Oxford High School Operation Graduation 2020 committee is asking for your help. For the past 20 years the parents and guardians of the graduating class of Oxford High School have held a special alcohol and drug free graduation night event for the graduating seniors. This non-profit organization is known as “Operation Graduation”. In light of the many recent tragedies involving school age drivers, we feel this event is very important to the safety and well-being of the graduating seniors.

This event includes renting an overnight facility, entertainment, food, and gifts for all graduating seniors in attendance. At this event, the children are “locked-in” from 9 pm graduation night through 6 am the following morning.

This year we will be hosting several fundraisers and are preparing for the big night. Some businesses have provided support in the past through donations of food and/or drinks as well as monetary donations. We are asking you to consider providing assistance and support for the graduating seniors. Any donation would be greatly appreciated.

If you are able to contribute towards the Class of 2020’s graduation event which will be held on June 5, 2020, please contact one of the members listed below to make arrangements for pick up.

All donations are tax deductible, our Tax ID number 04-6001260.

Your support will help ensure the success of Operation Graduation 2020!

**Thank you in advance for your generosity,
Operation Graduation 2020 Committee**
