

OXFORD PUBLIC SCHOOLS
SCHOOL COMMITTEE FOCUS AREAS
2018-2019

- 1. Food Service**
- 2. Quality of Educational Practice**
- 3. Community Outreach**
- 4. School Safety**

1. To ensure the District is complying with current nutritional regulations and District policies regarding food service, so that our students are accessing healthy and nutritious meals to improve academic performance.

- work with the Food Service Director to improve quality and menu choices.

2. To ensure that the budget is focused on providing the District sufficient fiscal resources to improve student outcomes.

- offer teachers more quality Professional Development;
- conduct thorough teacher observations and appropriate and accurate performance evaluations (accountability of teaching staff);
- improved mentoring program;
- supply necessary curriculum tools (textbook inventory and interventions need to be prioritized); and
- review of COFFEE Program.

3. To improve school and community relationships.

- include community leaders to be recognized by the School Committee - one every other month or one per quarter;
- form collaborative partnership with IPG and Aquarion to assist with funding STEM courses or early college courses, and/or create internship opportunities for students;
- invite bank representatives and local business owners to be members of the various school councils;
- form working relationships with local religious leaders;
- increase positive media coverage (Webster Times);
- increase volunteerism at schools;
- implement local cable access shows; and
- expand student participation at School Committee Meetings.

4. To provide the budget funding to ensure for safe and secure school facilities.

- install keycards in all buildings (capital outlay?); and
- increase School Resource Officer funding.
